3rd Annual GU Oncology Consortium Meeting 2026

You're invited to join us September 17, 2026 from 5:00 - 10:30 PM at the Lake Club & City Club in Cleveland, Ohio.

ABOUT

The consortium participants include approximately 200+ providers, representing both basic and translational researchers and trainees involved in the diagnosis and treatment of patients with genitourinary cancers. Participants will explore and engage in discussions on key topics in genitourinary cancers, including bladder, kidney, and prostate cancers.

We welcome exhibitors, including therapeutic specialists and specialty pharmacy representatives, to engage with attendees between 5:15 and 6:15 PM. Exhibitors are also invited to stay for dinner, the sessions, and networking.

Sponsorship Opportunities

Make a lasting impression as a supporter for genitourinary oncology researchers and clinicians.

Sponsorship Levels & Benefits	Gold \$7,500	Platinum \$15,000	Diamond \$30,000
Logo recognition in the event materials	Listed Third	Listed Second	Listed First
